August: FUN IN THE SUN MONTH

Creative Crafters is a group dedicated to teaching and educating children in new craft skills. One of our goals is to show children that making gifts and items for their home is a great way to avoid commercialism. Classes are geared to be fun, but will also instruct children how to use rulers, compasses, measurements, and everyday geometry. Our motto: Learn one, Do one, Teach one.

Please join us for our GRAND OPENING WEEKEND August 5th and 6th. We will serve light refreshments. There will be free giveaways and a visit from Joe "Magic". He will amaze you with his balloon animals.

Classes are geared for children ages 7 to 11, and are located at the Westchester Christian Church, 8740 La Tijera Blvd, across from the Coffee Company.
