HIGHEST CLASS IN EVERY WAY

Wishes You All a HAPPY NEW YEAR And Invites You to the GREATEST THRILLER EVER FILMED!

Jesse L. Lasky Presents **HOUDINI** in **"THE GRIM GAME"**

By Arthur H. Reeve and John W. Gray. Directed by Irvin Willat.

\$1,000 REWARD!

The above sum will be paid by Houdini to any person who can prove that the hair-raising airplane chase, collision and crash to earth, as shown in "The Grim Game," did not actually occur. The stirring climax shows the hero racing through the sky in pursuit of another plane which has kidnaped a girl he intends to rescue. He overtakes his foe, rises above him, leaps into space, and, dangling on a rope, attempts to land the enemy machine. But, just as he nears the cockpit, there is an accident. The airplane crash-locks together—plunge with their occupants 3,000 feet to earth.

And the camera man, in another plane, caught it all! A real accident, reported by the Associated Press. A breath-snatching thrill that will never be duplicated. Yet only one of the amazing scenes of dare-devil adventure in "The Grim Game." Come!
